### Memorial Day 2020

Memorial Day ... a day to reflect and pay respect to all the service men and women who made the ultimate sacrifice for our freedom. Thank you to those who have served and to those who continue to serve our great country.

Thank you, Kenny (Nurse On Call), for the Memorial Day treats. We appreciate your thoughtfulness. You're always thinking of others.

### Life is Better With Friends

On a typical day at Rosewood Manor during this time of social distancing, some enjoy an afternoon card game, some enjoy strolling around the grounds, listening to music is relaxing but it's most fun to "bust a move"! Whatever your thing is, there's always something interesting and fun happening at Rosewood.
